CANCER PATIENTS

HLC Holistic Cancer Care

HLC Cancer Care brings a world-class holistic mind-body treatments through an integration of Ayurveda, Naturopathy, Nutrition and Yoga with exceptional, compassionate patient care delivered by our team of leading cancer consultants, ayurvedic physicians, naturopaths, nutritionists, nurses, yoga trainers, counsellors and physios.

HLC applies a 5000-year-old principle to help patients combat cancer through a complete health care programme that is a culmination of ancient wisdom, traditional healthcare and contemporary knowledge with conventional systems and a multidisciplinary approach, all under one roof.

Conquer Cancer - Physically, Emotionally and Spiritually

Curative

HLC's holistic treatment takes an integrative approach that works on the root-cause, reduces other associative symptoms and finally enhancing overall quality of life.

Adjuvant

Integrated treatment of allopathic modality with Ayurvedic medicine as an adjuvant. This therapy protects patients from adverse effects of chemotherapy & radiotherapy.

Preventive

HLC's therapies produce a synergistic anticancer effect which is inexpensive, readily applicable, acceptable & accessible for cancer prevention, control & management.

Palliative

HLC offers residential palliative care for any age, any type & stage of cancer, including post-operative care for cancer patients. Our holistic programme helps eliminate symptoms.
